

PROFORMA

1. Name of the Teacher : Kiran Kumar N
2. Date of Birth : 06/09/1981
3. Designation and Place of work : Assistant Professor of PHT, COH, Hiriyyur
4. Mobile No. : 9916424881
5. E-mail : kiran69@gmail.com
6. Qualifications :

Degree	Year of Passing	Institution
BSc Horticulture	2003	UAS, Dharwad
MSc Horticulture	2005	IARI, New Delhi

7. Professional Experience

Sl. No.	Designation	From	To	Employer	Place of Work
1	Assistant Professor	20/04/2011	Till date	UHS, Bagalkot	COH, Hiriyyur

8. Area of Specialization : Post Harvest Technology

9. Publications: 1. Variations in antioxidant activity in Broccoli cultivars. Journal of Food Biochemistry **31** (2007) 621-638
2. Variations in antioxidant activity in carrot genotypes. Prog. Agric. 10 (1):114-118 (2010)
3. Effect of medicinally important spices extracts on pigment changes of mature green tomato fruits during storage. Mysore J. Agric. Sci. 44 (3):517-522, 2010
4. Effect of medicinally important spices extracts on weight loss and quality of mature green Tomato fruits during storage. Mysore J. Agric. Sci. 45 (3): 573-579, 2011
5. Comparative performance of Castor and groundnut intercropping system under central dry zone of Karnataka. International Journal of chemical studies, 8(3): 2297-2299

6. Comparative efficiency of Bio-phos phosphate solubilizing Bacteria on Castor yield at different levels of phosphorous fertilizer under rain fed conditions. *Int. J. Curr. Microbiol. App. Sci.* 9(6): 2715-2720
7. Induction of novel mutants and their stability using Gamma Irradiation in Tuberose. *Int. J. Curr. Microbiol. App. Sci.* 8(8): 1815-1824 (2019)

10. Awards Received : NIL

11. Foreign visits : NIL

12. Significant contributions : NIL
